## General Aspects

1

<b>General Aspects</b> .....	2	8 Venous Access .....	21
1 Preliminary Remarks on the Surgical Intervention .....	2	9 Central Venous Port .....	25
2 Use of Scalpel, Needle Holder, Forceps, and Scissors .....	4	10 Venous Cutdown .....	26
3 Ligation and Suture Ligation .....	6	11 Joint Punctures .....	28
4 Knots .....	8	12 Pleural Punctures (Thoracentesis) .....	31
5 Skin Suture .....	11	13 Urinary Bladder Puncture .....	33
6 Drains .....	14	14 Ascites Puncture (Paracentesis) .....	34
7 Urinary Catheter .....	17	15 Fine-Needle Aspiration Biopsy .....	35
		16 Arterial Puncture and Arterial Catheterization .....	36

## Operations

39

<b>Skin and Soft Tissues</b> .....	40	<b>Thoracic Wall and Cavity</b> .....	98
17 Excision of Skin Lesions .....	40	38 Axillary Lymph-Node Clearance .....	98
18 Removal of Soft Tissue Tumors .....	43	39 Breast Biopsy .....	101
19 Removal of Inguinal Lymph Node .....	45	40 Subcutaneous Mastectomy .....	103
20 Wound Management .....	47	41 Mastectomy (Auchinclos-Patey) .....	105
21 Secondary Suture .....	49	42 Chest Drain .....	109
22 Carbuncle of the Neck .....	51	43 Median Sternotomy .....	112
23 Bursectomy (Elbow) .....	53	44 Posterolateral Thoracotomy .....	116
24 V-Y Advancement Flap .....	55	45 Axillary Thoracotomy .....	120
25 Z-plasty .....	57	46 Atypical Lung Resection Open .....	123
26 Split-Skin Coverage .....	59	47 Atypical Thoracoscopic Lung Resection .....	126
27 Ganglion (Wrist) .....	61	48 Right Superior Lobectomy .....	129
28 Panaritium (Felon) .....	63	49 Pneumonectomy .....	132
29 Paronychia (Run-around) .....	64	50 Thoracoscopic Pleurectomy .....	135
30 Ingrown Toenail (Unguis Incarnatus; One-third Wedge Resection) .....	67		
		<b>Abdominal Cavity: Diaphragm</b> .....	138
<b>Neck</b> .....	69	51 Rupture of the Diaphragm .....	138
31 Removal of Cervical Lymph Node .....	69		
32 Tracheotomy (Open and Percutaneous Tracheostoma) .....	71	<b>Abdominal Cavity: Esophagus</b> .....	140
33 Exposure of the Jugular Vein .....	76	52 Hiatal Hernia Repair (Lortat-Jacob Hiato-plasty) .....	140
34 Subtotal Thyroidectomy .....	79	53 Fundoplication (Nissen-Rosetti and Toupet) .....	144
35 Total Thyroidectomy .....	85	54 Laparoscopic Fundoplication .....	148
36 Parathyroidectomy .....	91	55 Cardiomyotomy for Achalasia (Gottstein-Heller) .....	154
37 Zenker Diverticulum .....	94		

<b>Abdominal Cavity: Stomach</b> .....	156	<b>Abdominal Cavity: Large intestine</b> .....	292
56 Percutaneous Endoscopic Gastrostomy (PEG) .....	156	92 Appendectomy .....	292
57 Gastrostomy (Witzel) .....	159	93 Laparoscopic Appendectomy .....	300
58 Closure of a Perforated Ulcer .....	162	94 Loop Transverse Colostomy .....	305
59 Oversewing of a Bleeding Peptic Ulcer .....	165	95 End Sigmoidostomy (Hartmann Procedure) .....	309
60 Gastrojejunostomy .....	168	96 Stoma Closure .....	315
61 Pyloroplasty (Heineke-Mikulicz, Finney, Jaboulay) ....	172	97 Colotomy and Polypectomy .....	318
62 Selective Proximal Vagotomy .....	175	98 Palliative Anastomosis between the Distal Ileum and Transverse Colon .....	321
63 Truncal Vagotomy .....	180	99 Right Hemicolectomy .....	325
64 Gastroduodenostomy (Billroth I) .....	182	100 Ileocecal Resection .....	332
65 Gastrojejunostomy (Billroth II) .....	190	101 Tubular Resection of the Sigmoid Colon .....	334
66 Roux-en-Y Gastrojejunostomy .....	193	102 Radical Resection of the Sigmoid Colon .....	340
67 Gastrectomy and Longmire Gastric Reconstruction ....	195	103 Laparoscopic Resection of the Sigmoid Colon .....	342
68 Gastrectomy and Roux-en-Y Gastric Reconstruction ...	206	104 Left Hemicolectomy .....	347
<b>Abdominal Cavity: Gallbladder and Bile Ducts</b> .....	208	105 Anterior Rectum Resection .....	355
69 Cholecystectomy .....	208	106 Rectum Resection .....	369
70 Laparoscopic Cholecystectomy .....	212	<b>Retroperitoneum</b> .....	375
71 Exploration of the Common Bile Duct .....	217	107 Adrenalectomy .....	375
72 Hepaticojejunostomy .....	221	108 Laparoscopic Adrenalectomy .....	379
<b>Abdominal Cavity: Liver</b> .....	225	<b>Proctology</b> .....	381
73 Wedge Resection of the Liver .....	225	109 Hemorrhoidectomy (Miles-Gabriel) .....	381
74 Hepatic Cyst .....	227	110 Perianal Abscess .....	385
75 Left Hepatic Lobectomy .....	231	111 Fistula-In-Ano (Including Sliding Flap) .....	388
76 Hepatic Rupture .....	236	112 Perianal Thrombosis .....	392
77 Port Catheter of the Hepatic Artery .....	240	113 Lateral Sphincterotomy (Parks) .....	395
<b>Abdominal Cavity: Pancreas</b> .....	243	114 Pilonidal Sinus (Schrudde-Olivari) .....	397
78 Necrosectomy of the Pancreas .....	243	<b>External Genital Organs</b> .....	401
79 Pseudocystojejunostomy .....	246	115 Testicular Hydrocele .....	401
80 Resection of the Tail of the Pancreas .....	250	116 Vasectomy .....	404
<b>Abdominal Cavity: Spleen</b> .....	254	<b>Hernias</b> .....	406
81 Splenectomy .....	254	117 Local Anesthesia for Inguinal Hernia Repair .....	406
82 Partial Splenectomy .....	257	118 Dissection for Inguinal Hernia Repair .....	409
83 Splenic Rupture .....	259	119 Inguinal Hernia Repair (Shouldice) .....	417
84 Laparoscopic Splenectomy .....	261	120 Inguinal Hernia Repair (Bassini) .....	421
<b>Abdominal Cavity: Peritoneum</b> .....	264	121 Inguinal Hernia Repair (Lichtenstein) .....	424
85 Peritonitis and Laparostoma .....	264	122 Transinguinal Preperitoneal Mesh Repair (TIPP) ....	427
86 Peritoneovenous Shunt .....	268	123 Preperitoneal Inguinal Hernia Repair .....	431
<b>Abdominal Cavity: Small Intestine</b> .....	272	124 Laparoscopic Inguinal Hernia Repair .....	438
87 Segmental Resection of the Small Intestine .....	272	125 Femoral Hernia Repair (Crural Approach) .....	443
88 Intraluminal Stenting of the Small Intestine (Dennis Tube) .....	276	126 Femoral Hernia Repair (Inguinal Approach; Lotheissen, McVay) .....	446
89 Meckel Diverticulum .....	280	127 Femoral Hernia Repair (Inguinocrural Approach) ....	451
90 End Ileostomy .....	283	128 Epigastric Hernia .....	454
91 Loop Ileostomy .....	289	129 Umbilical Hernia .....	456
		130 Incisional Hernia .....	460
		131 Spigelian Hernia .....	464

<b>Pediatric Surgery</b> .....	467	148	Olecranon Fracture—Tension Band Wiring .....	527
132 Inguinal Hernia in Children .....	467	149	Fracture of the Radius Shaft—ORIF Plate Fixation . . . .	530
133 Orchidopexy for Inguinal Testes (Shoemaker) .....	472	150	Distal Radius Fracture—ORIF Plate Fixation .....	534
134 Circumcision .....	478	151	Distal Radius Fracture—Kirschner Wire Fixation .....	538
135 Pyloromyotomy (Weber-Ramstedt) .....	481	152	Dupuytren Fasciectomy .....	541
		153	Flexor Tendon Repair .....	544
		154	Extensor Tendon Repair .....	547
<b>Vessels</b> .....	483	155	Carpal Tunnel Release .....	550
136 Femoral Embolectomy .....	483	156	Pelvic External Fixation .....	552
137 Femoral Thrombectomy .....	486	157	Dynamic Hip Screw (DHS) .....	555
138 Crossectomy, Long Saphenous Vein Stripping, and Perforator Ligation .....	490	158	Proximal Femoral Nailing .....	561
139. Dialysis Shunt (Cimino Arteriovenous Fistula) .....	497	159	Femoral Head Replacement (Hemiarthroplasty) .....	567
		160	Femoral Shaft—ORIF Plate Fixation .....	572
<b>Amputations</b> .....	499	161	Patella Fracture—Tension Band Wiring .....	576
140. Finger and Toe Amputation .....	499	162	Intramedullary Nailing of the Tibia .....	580
141. Below-Knee Amputation .....	502	163	Lower Leg—External Fixation .....	584
142. Above-Knee Amputation .....	505	164	Medial Malleolus—ORIF .....	587
		165	Lateral Malleolus—ORIF .....	590
		166	Fibular Ligament Suture and Ligament Reconstruction with a Periosteal Flap .....	595
		167	Achilles Tendon Repair .....	598
<b>Traumatology</b> .....	510			
143 Traction Management of Fractures .....	510	<b>Further Reading</b> .....		603
144 Harvesting Cancellous Iliac Bone for Grafting .....	516			
145 Septic Arthritis of the Knee .....	519	<b>Index</b> .....		605
146 Fasciotomy of the Lower Leg .....	522			
147 Per- and Supracondylar Fracture of the Humerus (Child) .....	525
